Work Really Hard

A photograph of a serene, natural setting. A paved path leads through dense green foliage and trees. A small stream flows along the right side of the path, with a series of low, rectangular stones or logs placed across it to allow passage. On the right bank of the stream, a large tree trunk has a small, rectangular white sign attached to its bark. The sign contains text in multiple languages, including "DOKIMAN", "PRIVATE PROPERTY", "NO SWIMMING", and "BAGONG TAH BULAWAYO". The scene is bathed in soft, dappled sunlight filtering through the canopy.
